

COLLEGE OF HORTICULTURE, V.N.M.K.V. PARBHANI

1. Introduction :

The main object to start B.Sc. (Hort.) degree programme in Marathwada region is to cater the needs of advance knowledge of fruits, vegetables and flower growers of the region and others involved in horticultural industries. The education in horticulture includes skills and knowledge to meet the challenges of providing increasing employment opportunities to young horticultural graduates in academic institutions and service sector.

Considering the above objectives, the College of Horticulture, Parbhani was started in the year 1984 as a degree programme B.Sc. (Horticulture) under the administrative control of Associate Dean and Principal, College of Agriculture, VNMKV, Parbhani for the students who have passed XIIth Std. (10+2) (Science), with the intake capacity of 16 students, as per the Govt. Resolution No.AGU 1987/CR-188/20A, dated 18 January 1989 from Maharashtra State (Agricultural & Cooperative Department) in the old building of College of Agriculture. In year 2005 the College of Horticulture was shifted in a new building with separate DDO power.
